

Map 20: Recommended Flood Mitigation Projects Index Map

The blue index box label numbers are based upon the last three digits of their respective FMP ID numbers. For example, the index box labeled "113" represents the extent of the zoomed-in mapbook figure for FMP ID: 141000113. The associated mapbook figure is numbered Map 20.113 and shows the zoomed-in boundary for the FMP project area. Since there are a total of 22 FMPs recommended in the Regional Flood Plan, this mapbook figure is Map 13 of 21.
